

## Helen Doron English Presents: The Christmas Quartets Card Game

# Season's Greetings!

May your Christmas be merry and your New Year filled with joy. The team at Helen Doron English is thrilled to introduce our special Christmas Quartets Card Game—a delightful family activity that promises fun during the festive season.

### How to Prepare and Play:

**What's Inside:** The game features 36 cards, divided into 9 quartets (sets of 4 cards). Each category is inspired by one of our enriching courses, and the characters are handpicked from these courses.

**Colouring Fun:** Add a splash of colour to the characters on the cards! Follow the colour examples at the top of each page to bring these characters to life.

**Crafting the Cards:**

- Print the cards on an A4 paperboard (hard paper) – one-sided printing.
- Then, colour in the characters and let dry.
- Cut out the cards along the indicated lines. Make sure to be precise so that the cards look neat. Cut both the character cards and the back-side cards.
- Carefully glue each coloured character card – the front – to the back of a card.

**Box It Up:** If you wish, you can also craft a game box to store the cards. Follow the box-making instructions provided.

**Let the Games Begin:** Now that everything is set, gather your family and dive into the game! Just follow the game instructions, and you're good to go.

Let's make this Christmas extra special with our Quartets Card Game. It's not just a game; it's a bonding experience that also reinforces the English language skills and values we instil in our courses.

## Enjoy and Ho Ho Ho!
